

Andy White

jihyuk.sung@gmail.com / 801-889-7179 / 1100 E Robins Way, Sandy, Utah

Summary

I am a software engineer with a serious passion in full stack web development. My experience includes, but not limited to, JavaScript, Java, Node, React, HTML, CSS, Git/GitHub, jQuery, Jasmine Testing, Express, Redux, SQL, MongoDB, and more. I am looking for companies where they can utilize my current stack, creative problem solving skills, and team orientated beliefs in order to further enhance my full stack web development career.
